

Summer Gardens Tour and Tea

The Thomaston Historical Society (THS) will host a tour of eight local gardens and the Community Garden Stand on Saturday, June 18 from 1-4 PM (rain date Sunday, June 19). Maps and a listing of garden locations will be provided when tickets are purchased at 220 Main Street, the first stop on the tour. Guests may visit the other locations in their order of choice.

This is the second Gardens Tour sponsored by the Thomaston Historical Society. This year the Thomaston Garden Club (TGC) will be working in collaboration with the THS for the event. The focus for this year's tour is to feature different kinds of flower and vegetable gardens.

A High Tea will be available for all ticketed guests, also at 220 Main Street, during the event. Also available will be various garden-related items as raffle choices.

Tickets are \$20 for THS and TGC members and \$25 for non-members. Tickets include tea, lemonade and light refreshments. For additional information, please call Mimi Zwick at 354-7029.
